

**EXEC-V desk range.** Design: Wolfgang C. R. Mezger.

The executive office stands for flexible functions and cultivated representation. The height adjustment allows you to work either standing or sitting. Ergonomic and healthy. The desk top seems to float above the base and pedestal. As a free-standing desk or attached to the pedestal. A complex range consisting of desks, pedestals, sideboards and conference tables. Prestigious and practical.

## Product description

### Desks, conference tables and single workstations

**Modell no.** 7300

#### Table tops

There are two table top variations available.

MDF table top with bevelled edge.

Top thickness 28 mm tapered to 10 mm.
